Halftime usually consists of a five (5) minute break, but can be as long as fifteen (15) minutes. Referees may also use their discretion to allow for water breaks in unusually hot conditions.

TWO JERSEY OPTIONS

Teams MUST have an alternate colored jersey in case of conflicts. Generally accepted 'light' color jersey options include: white, yellow/gold, orange, neon, and similar colors.

IF the color of your 'light' jersey option is something other than the above generally accepted 'light' colors, such as red or light blue, then your team MUST have another back-up jersey or training shirt with numbers that would fall into the generally accepted 'light' colors. In addition, if WHITE socks (or another generally accepted 'light' color sock) are not your usual 'light' jersey socks, your team must have the back-up of white (or another generally accepted 'light' color) socks in case of a conflict.

THE HOME TEAM WILL WEAR 'LIGHT' COLORED JERSEYS. THE VISITING TEAM WILL WEAR 'DARK' COLORED JERSEYS. THE TEAM IN THE INCORRECT COLOR WILL HAVE TO CHANGE.

All players, including goalkeepers, must have a number. NCYSA will allow tape to be used for numbers on the jerseys IN LEAGUE PLAY ONLY. Jersey numbers should coincide with jersey numbers on the approved team roster and player pass.
